Hi [redacted],

You are welcome to copy the contents of the thumb drive to your computer at no charge.

We will not make office space available for you to scan the boxes of documents. You will have to arrange transfer of the paper records.

Tom

Please do it today, as also required by the law. If you refuse to do so please confirm that you will have a computer available for me to inspect and copy these records at no charge in person. Alternatively please confirm that you will allow me to use my own computer in your office to inspect and copy these records at no charge.

Please confirm that I will be able to do so.
